DURING 2006 –2007

PART - II

TECHNICAL SECTION

INFRASTRUCTURE DEVELOPMENT

The Mizoram State Sports Council undertakes Sports infrastructural Development in Mizoram. For the implementation of this programme, the Mizoram State Sports Council avails Centrally Sponsored Scheme grants, North Eastern Council grants and grants from State Government.

As per Centrally Sponsored Scheme(CSS) norms, all projects for North Eastern States under CSS are financed by the Government of India by giving 75 % of the approved Project cost as grant and the remaining 25 % of the Project cost are borne by the State Government as State share. The CSS grant is normally released in 3 (three) Installments by the Government of India.

The Mizoram State Sports Council also undertakes Repair/Maintenance/ Renovation/Extension of existing Sports Stadiums and other Sports infrastructures from the fund provided by the State Government. However, the Fund provision made by the Central Government and the State Government for improvement, maintenance and development of Sports infrastructures is insufficient to meet the actual requirement of Mizoram State Sports Council.

The funds sanctioned for maintenance and development of Sports infrastructure by the State Government can broadly be divided into two heads namely : -

1. State Share for CSS Projects/ NEC Projects
2. State Grant for Repair/Maintenance/Renovation/Extension of Sports infrastructures.
